

MASON - KAY

JADE EXCELLENCE SINCE 1976

Testing & Value Estimation Services & Fees

As of January 2024

Mason-Kay has been engaged in the jadeite jade business since 1976. We offer full jadeite testing services to the trade, as well as value estimation services for retailers and appraisers.

In addition to standard gemological tests (RI, SG, optical spectroscopy) Mason-Kay is equipped with infrared spectroscopy to detect impregnation ('B' jade).

We do not test or evaluate statuary, figurines or jade rough.

Trade Pricing Fee Schedule

Quantity Discounts: 10% for 10-19 items, 15% for 20-29 items, 20% for 30 items or more at one time

Jadeite Testing (If Jadeite, Includes Tests for Impregnation & Dye)

Printed Report	\$90
Verbal or Email Result Only (No Report)	\$50

Value Estimation (Must Do Above Testing or Have Legitimate Gem Report)

Printed Report	\$70
Verbal or Email Result Only (No Report)	\$40

Two additional stones within the same piece are tested at no additional charge and referenced on the report. Stones tested beyond the additional two are \$15/each. Please note that Mason-Kay's fees are not based on weight or value .

Mason-Kay provides value estimation services (current wholesale value) for natural jadeite only; metal and/or other side stones are neither evaluated nor tested.

Items that are backed, encased or otherwise enclosed in metal may have to be removed for proper testing and value estimation. This is done only with the customer's permission and at customer's risk and cost.

Standard turn-around time is 7-10 days (or less) from the date received.

A \$50 rush fee may apply to requests of 3 days or less.
\$50 rush fee for up to 3 items - \$15/item thereafter

Return postage and insurance is added to all service fees.
